

# Monell: Making Sense of the World

## Many Thanks to Monell Center Donors 2019-2020

Now, more than ever, it is our greatest pleasure to THANK YOU – the friends, alumni, employees, foundations, and businesses – who support Monell’s research mission through philanthropic gifts and grants. We are grateful to each of you for including the Monell Center in your charitable choices, especially this year when we all face such great challenges. Together with you, we are learning through the pandemic and applying our findings to all four of our scientific research aims. Many thanks.
