

TALK TO YOUR CHILD ABOUT SMELL & TASTE

Help your child pay attention to changes in smell and taste

How do you think smells smell today?

Weaker, same or different than usual?

How do you think food tastes today?

Worse, same or better than usual?

Check their sense of smell and taste using items from your home

Try our online activity at kidsoutreach.formr.org/ or point your camera at the QR code to access

Seek medical advice if you notice a sudden change in your child's sense of smell or taste.
